

As EuroSchool gears up to reinforce its commitment towards ensuring a promising tomorrow for the students, it unveiled a new brand philosophy and logo. The new philosophy 'Discover Yourself' is aimed at enabling the child to discover their interests and inclinations, nurturing and transforming them for all-round development.

Founded in 2009, EuroSchool is a part of EuroKids International, India's leading preschool network. EuroSchool is a network of 10 schools in six cities in India, namely Mumbai, Ahmedabad, Bengaluru, Hyderabad, Pune and Surat.

EuroKids International Co-founder and Group CEO Prajodh Rajan, said, "At EuroSchool, we endeavour to encourage children to recognize their latent talent, ascertain areas of interest, hone individual skills, thereby discovering varied facets of their personality. We create multiple platforms for every child to engage and experiment. Through this journey of self-discovery, they are provided with the expert guidance by our educators to transform them into responsible citizens of tomorrow. The release of the new visual identity marks a significant milestone and illustrates our purpose and vision for the future."

EuroSchool believes that each child is unique, possessing a gamut of undiscovered talents which the School helps them realise and enables them to attain their true potential. The new logo is an endorsement of the schools' values of **Balanced Schooling**, thus making a difference in the lives of young children by shaping their early years. The new logo also signifies a more contemporary entity that embodies inclusiveness and progressiveness.

EuroSchool nurtures its students in this journey of 'Self Discovery' by providing an equal exposure to both academic and co-curricular development. At EuroSchool balanced schooling is ensured through best-in-class infrastructure & technological facilities. The schools are equipped with specialized laboratories, libraries, digital classrooms, dedicated activity room, sports coaching facilities and an environment that focuses on creating a safe and secured learning environment for the students.

The school believes that it's critical to have the support of the parents, who are an important part in a student's journey. The school encourages active parent involvement and believe in developing a strong association for the betterment of the child's future.
